

European Patent Litigators Association Annual meeting Meeting, Munich, 12th May 2017

The establishment of the Central Division and preparations for the UPC system in France

UPC – Final Countdown : Brexit

Progress reports in France : France is fully committed to the UPC's success

Ratification : Agreement, PAP, PIP in July

Central Division :

- Prestigious address (Center of Paris, close to airports and Gare du Nord station)
- Location (next to île de la Cité and the Paris Court)
- Available : ready except some IT systems (visio)
- Communication on the location : after the Parlement elections

Organisational model : relations between CoA and CFI

Interim team : work in process, ready to start the PAP

General context : French elections

Max Brunner (UPC project manager, French Ministry of Justice, SG-DAEI)
